

## SEMINAR/CONFERENCE ORGANISED DURING THE YEAR 2019-2020

S.No	Organizing Department	Program Topic	Seminar/ Conference Workshop/	Date	Beneficiaries	Program Outcome
1	Biochemistry and Biotechnology	National Symposium on “ <b>Mitochondria in Health and Disease</b> ” Jointly organized by <b>Society for Mitochondrial Research and Medicine (SMRM), India</b> <b>Dr. K.Thangaraj</b> Chief Scientist CSIR- Centre for Cellular and Molecular Biology (CCMB) Hyderabad, Telangana <b>Dr.Swasti Raychaudhuri</b> DBT – Ramalingaswami Fellow CSIR- Centre for Cellular and Molecular Biology (CCMB) Hyderabad, Telangana <b>Dr. P.Govindaraj</b> Research Scientist Institute of Bioinformatics Bangalore,	National Level Symposium	21.02.2020	540 students	<ul style="list-style-type: none"> <li>• The Symposium was organized to foster research derived knowledge on basic science of Mitochondria, Mitochondrial pathogenesis, prevention, diagnosis, drug discovery and treatment .</li> <li>• The Participants gained immense knowledge on the cutting -edge advances, emerging concepts in mitochondrial medicine and also the current status and future prospects in treatment of Mitochondrial disorders.</li> </ul>
2	Mathematics & Physics	State Level Seminar on Mathematical Physics and Quantum Matters <b>Dr. Srinivasa Rao Manam,</b> Professor, IIT, Chennai. <b>Dr. R.Sivaraj,</b> Senior Asst. Professor, School of Advanced Sciences, VIT, Vellore. <b>Dr. L. Senthilkumar,</b> Professor, Bharathiar University, Coimbatore.	State Level Seminar	24.02.2020	Faculties and Students from other Colleges	<ul style="list-style-type: none"> <li>• Participants gained knowledge over the quantum computational modeling for various applications through density functional theory and acquired an updated knowledge on recent developments and researches in mathematical Physics</li> </ul>
