The Institution offers 21 Under graduate courses, 11 Post graduate courses, Research programmes, Certificate course, Add-on courses and Value - added courses in various disciplines.

ABOUT THE DEPARTMENT

The Department of Mathematics has registered a steady growth, right from the inception in 1994, strictly adhering the goals of the College. Now the Department is offering both UG and PG Programmes. The Department is functioning with 15 well qualified faculty members. The Department also offers Ph.D (Full time/Part time) Programmes. In addition to teaching, the Faculty members are actively engaged in Research and development activities. The thrust areas of research include Graph Theory, Fuzzy Mathematics and Differential Equations.

The objective of the department is to provide quality science education to cater the needs of the society. The Department of Mathematics is one among the five Under graduate departments recognized and funded under the Star College Scheme by DBT, Govt. of India, New Delhi. The Star departments are organizing various activities under DBT Star College Scheme since 2019.

ABOUT THE LOCATION

The College is situated at Nanjanapuram, Erode about 10 Kms from Erode and 90 Kms from Coimbatore. It is well connected by Road and Rail.

OBJECTIVES OF THE SEMINAR

The main objective of the Seminar is to exchange new knowledge and provide a platform to know the recent developments and emerging trends in Discrete Mathematics. This Seminar aims to bring together leading Academic Scientists, Researchers and Research Scholars to exchange and share their experiences and research results on all aspects of Discrete Mathematics. It also provides a premier interdisciplinary platform to discuss the most recent innovations, trends and concerns as well as practical challenges encountered and solutions adopted especially in the field of Discrete Mathematics.
