1	26.06.2020	Intercollegiate Webinar on “Effects of Afforestation on Biodiversity”  (Virtual mode)	Rtn.G.Karthikeyan, President, Rotary Club of Erode North & Erode Thulirgal Trust.	132 Participants  National Level

The poster is for an intercollegiate webinar. At the top, it identifies KONGU Arts and Science College (Autonomous) in Erode. Below this, the 'ECO CLUB' logo is shown, featuring a globe and the word 'ECOVISION'. The main title of the webinar is 'EFFECTS OF AFFORESTATION ON BIODIVERSITY', with a note that it is held during the COVID-19 lockdown. The resource person is Rtn. G. Karthikeyan, President of the Rotary Club of Erode North & Erode Thulirgal Trust. The event is scheduled for 26th June 2020 at 02:00 PM. The poster also lists the Eco Club Coordinator (Mrs. T. Radha), the Principal (Dr. N. Raman), and the Correspondent (Thiru. K. Palanisamy). It concludes with the college's motto, 'Assuring the Best'.

An Intercollegiate Webinar on “Effects of Afforestation on Biodiversity” was organized on 26.06.2020.

Afforestation helps to reduce the carbon emissions of the planet by trapping carbon in the form of carbondioxide and utilizing it in photosynthesis to produce oxygen.

The need and importance of planting trees was insisted through this webinar.

Nearly 132 participants attended the webinar.
