# Virtual Workshop on Android Programming

The Virtual Workshop on Android Programming was conducted by Mr.T.Matheiyarshan, Mobile App Developer, Accent Technosoft, Coimbatore on 03.03.2021 for III B.Sc. Information Technology students through online mode. The purpose of the workshop is to learn about the app development for android platform. Android is the most popular Mobile OS, having the largest installed base and is a market leader in Mobile Technology. There is a huge demand for skilled Android Developers all over the world. Most businesses across multiple domains are building Android Apps both for enterprise and retail products. Totally 50 students from final year B.Sc. Information Technology participated in the virtual workshop.
