

Certificate of Achievement

Hemavathi S

has completed the following course.

INTRODUCTION TO HEALTH TECHNOLOGY ASSESSMENT
THE UNIVERSITY OF GLASGOW

This online course introduced you to HTA, a multi-disciplinary process that evaluates the ethical, social, economic and organisation issues of a health intervention. This course covered the topics of quality of life, making decisions within fixed health budgets, and cost-effectiveness.

3 weeks, 4 hours per week.

Jim Lewsey
Reader in Medical Statistics
The University of Glasgow

The person named on this certificate has completed the activities in the attached transcript. For more information about Certificates of Achievement and the effort required to become eligible, visit futurelearn.com/proof-of-learning/certificate-of-achievement.

This certificate represents proof of learning. It is not a formal qualification, degree, or part of a degree.
