Academic Inventions Responsibility towards the inventor

- University or any academic organisation is the biggest resource of knowledge and forms the platform for intellectual development.
- Facilitate the transfer of technology and market it by Inception of Technology Transfer Offices (TTO) and market any technology to the buyers.
- To provide freedom of operation to the inventors.
- To facilitate monetary support to the inventors
- Initiate a IPR cell and conduct regular audits.
- Without understanding the value of knowledge one can't make the PPP (Public-Private- Participation) successful.
