**Workshop on “Electronic Components and Measurements” - 19.03.2021**

One day workshop was organized in the title “Electronic Components and Measurements” for our I B.Sc., Physics Students (27) with Trainer Mr. A. Kalaimani, Thilagavathy Electronics, Erode. The main objective of this workshop was to instill the knowledge on electronic components and its measurements. Students were able to check the parameters like resistance, voltage, current, etc, with the help of multimeter. Also, they were motivated to fabricate some simple electronic circuits.
