KONGU  
A Vision of the Future

Students Induction Programme was organized by the Department of English on 14.09.2021. The Lecture was delivered by S. Sankara Kumar, Assistant Professor, Department of English, PSG College of Technology, Coimbatore. The aim of the programme is to give guidelines for Developing Communication Skills and overcome the barriers while using technical languages. Resource Person Covered Effective Communication, Barriers, Judging the other person, Active Listening, Using Technical Language. He Clarified the doubts of participants in Queries Session.

**Barriers:**

3. **Using technical language** - Have you ever been at an event when people are using some acronyms or language related to their profession?

**Communication includes**

1. **How you say it** - including the tone of your voice
2. **Why you say it** - the intention behind the message
3. **When you say it** - for example - during an argument, the time of the day, etc
4. **What you don't say** - sometimes what you don't say gives a clearer picture of what is going on than what you say, and
5. **Your body language** - including your facial expressions, gestures and posture.
