CLEANING PLASTIC ON SATHYAMANGALAM TIGER RESERVE FOREST- 26.03.2022

ROTARACT CLUB
 SPONSORED BY ROTARY CLUB OF ERODE
 HAD ORGANIZED ONE DAY VISIT ON
**SATHYAMANGALAM
 TIGER RESERVE FOREST**
 IN ASSOCIATION WITH
**BIODIVERSITY CONSERVATION TRUST,
 Sathyamangalam**
For cleaning plastic in the dense forest
 Date - 26.03.2022,
 Time - 10:00 AM

Our college Rotaract Club in association with Biodiversity Conservative Trust, Sathyamangalam had organized one day visit to Sathyamangalam Tiger Reserve forest for the cleaning activity in the forest area. Nearly 50 Rotaract student members participated in the cleaning activity. Students have collected the plastic bags in the roadside of the Sathyamangalam tiger reserve forest, which is affecting the livelihood of the wild animals. They were taught about the lifestyle of wild animals and the responsibilities of the youngster to save the wild animals for the next generation. Through this activity, students got awareness about conservation of forest and got understanding on the corrosion of plastic usage in the forest area.
