WORLD WATER DAY - Online Quiz – 22nd March, 2022

The Department of Commerce (CA) conducted Online Quiz on the eve of World Water Day 2022 to raise awareness about the importance of fresh water. Every year on March 22nd, the United Nations selects a special topic to commemorate the day, and this year's theme was "Groundwater: Making the Invisible Visible". This Online mode Quiz was taken up by all UG and PG students of Commerce CA and various students from other colleges too. Students actively participated in this online quiz through Google form link from March 22nd to March 31st, 2022. This inspired students to take the initiative in protecting fresh water at the grassroots level. Around 212 students were participated and all of them received e-certificates.
