1	26.06.2020	Intercollegiate Webinar on "Effects of Afforestation on Biodiversity"  (Virtual mode)	Rtn.G.Karthikeyan, President, Rotary Club or Erode North & Erode Thulirgal Trust.	132 Participants  National Level

The poster is for an intercollegiate webinar organized by the Eco Club of Kongu Arts and Science College. It features the college's name and address at the top, followed by the 'ECO CLUB' and 'ECOVISION' logos. The main title of the webinar is 'EFFECTS OF AFFORESTATION ON BIODIVERSITY' (during COVID-19 Lockdowns). It includes a meeting URL, a photo of the resource person Rtn. G. Karthikeyan, and the date and time: 26th June, 2020, at 02:00 PM. It also lists the contact details for the Eco Club Coordinator, Principal, and Correspondent, and ends with the college's motto 'Assuring the Best'.

An Intercollegiate Webinar on "Effects of Afforestation on Biodiversity" was organized on 26.06.2020.

Afforestation helps to reduce the carbon emissions of the planet by trapping carbon in the form of carbondioxide and utilizing it in photosynthesis to produce oxygen.

The need and importance of planting trees was insisted through this webinar.

Nearly 132 participants attended the webinar.
