Achieving the Best

Rotaract club of our college in association with National Service Scheme had organized the seed balls making in our college campus. R.Nandakumar, Founder and Managing Director, Biodiversity Conservative Trust, Sathyamangalam provided the seeds for making the seed balls. Rtn. M.K.Sivabalan, President of Rotary Club of Erode felicitated the event. Mr.Sures Kumar, NSS Coordinator welcomed the gathering. Mr.R.Nandakumar gave lecture to the students regarding the conservation of forest and essential for planting trees in the forest. Nearly 200 students participated in the event. Around 12,500 seed balls were produced during the event. The seed balls will be thrown in Sathyamangalam Reserve forest during the upcoming monsoon season.
