

**KONGU ARTS AND SCIENCE COLLEGE (AUTONOMOUS), ERODE**

**DEPARTMENT OF BIOTECHNOLOGY**

**FARM VISIT – GOLDEN BIO CULTURES**

REPORT

**Farm Visit** was arranged for I Year Students to **Golden Bio Cultures**, Erode where the students were exposed to Biofertilizers, Composting and Fermentation technology on 26.12.18.

Biofertilizers are prominent and it's the todays and future solution to the soil and ecosystem. Students of Biotechnology were amazed and content when they were practically to the farm. They were in soil and learnt much on composting, importance of earthworm and also their future role as a citizen about recycling.
