Issue Saplings through Think Green Cell Program on 27.07.2018

Issue Saplings through Think Green Forum Program was organized by Department of Computer Applications on 27th July, 2018 at Government school at Nanjanapuram in Erode District. Staff and Students of our Department actively participated in the program. Tree Plantation drives combat many environmental issues like deforestation, erosion of soil, desertification in semi-arid areas, global warming and hence Our aim is to provide enhancing the beauty and balance of the environment. Trees absorb harmful gases and emit oxygen resulting in an increase in oxygen supply.
