Issue Saplings through Think Green Cell Program on 15.10.2017

Issue Saplings through Think Green Forum Program was organized by Department of Computer Applications on 15th October, 2017 at Government school at Vellode in Erode District. Staff and Students of our Department actively participated in the program. Tree Plantation drives combat many environmental issues like deforestation, erosion of soil, desertification in semi-arid areas, global warming and hence Our aim is to provide enhancing the beauty and balance of the environment. Trees absorb harmful gases and emit oxygen resulting in an increase in oxygen supply.
