Dear Sir ,

Warm Greetings!

Kongu Arts and Science College (KASC) was established in the year 1994, under the banner of KVIT Trust. The Institution is doing Yeoman Service in the field of education offering a number of UG, PG courses and M.Phil. / Ph.D. Research Programmes in different disciplines.

In addition to class room teaching and innovative learning techniques we arrange Industrial Visits for our students to make them feel the pulse of the industrial environment. Besides, we also expose our B.Com (PA) students to have a wide range of practice in Auditing, during their vacation. It gives them a unique opportunity to have knowledge in Auditing practices.

In this regard Ms. KOWSIKA S (15UCPA018) prefers to take up her practice in your esteemed organization. I personally request you to provide her an opportunity to take up the Auditing practice in your organization.

The duration of the practice is about 21 days during the vacation in April to June 2017 and the students shall maintain a record of their daily activities duly endorsed by you. Dear Sir ,
Warm Greetings!

Kongu Arts and Science College (KASC) was established in the year 1994, under the banner of KVVIT Trust. The Institution is doing Yeoman Service in the field of education offering a number of UG, PG courses and M.Phil. / Ph.D. Research Programmes in different disciplines.

In addition to class room teaching and innovative learning techniques we arrange Industrial Visits for our students to make them feel the pulse of the industrial environment. Besides, we also expose our B.Com (PA) students to have a wide range of practice in Auditing, during their vacation. It gives them a unique opportunity to have knowledge in Auditing practices.

In this regard Mr. NANDHINI V (15UCPA026) prefers to take up her practice in your esteemed organization. I personally request you to provide her an opportunity to take up the Auditing practice in your organization.

The duration of the practice is about 21 days during the vacation in April to June 2017 and the students shall maintain a record of their daily activities duly endorsed by you. We hope that the permission to our students will be granted at the earliest. The help you render will make our students to go long way in knowing the intricacies of Auditing.

Thank you

Dear Sir,
Warm Greetings!

Kongu Arts and Science College (KASC) was established in the year 1994, under the banner of KVIT Trust. The Institution is doing Yeoman Service in the field of education offering a number of UG, PG courses and M.Phil. / Ph.D. Research Programmes in different disciplines.

In addition to class room teaching and innovative learning techniques we arrange Industrial Visits for our students to make them feel the pulse of the industrial environment. Besides, we also expose our B.Com (PA) students to have a wide range of practice in Auditing, during their vacation. It gives them a unique opportunity to have knowledge in Auditing practices.

In this regard Mr. GANESH B R (15UCPA009) prefers to take up his practice in your esteemed organization. I personally request you to provide him an opportunity to take up the Auditing practice in your organization.

The duration of the practice is about 21 days during the vacation in April to June 2017 and the students shall maintain a record of their daily activities duly endorsed by you. We hope that the permission to our students will be granted at the earliest. The help you render will make our students to go long way in knowing the intricacies of Auditing.

Thank you

Dear Sir ,
Warm Greetings!

Kongu Arts and Science College (KASC) was established in the year 1994, under the banner of Kvit Trust. The Institution is doing Yeoman Service in the field of education offering a number of UG, PG courses and M.Phil. / Ph.D. Research Programmes in different disciplines.

In addition to class room teaching and innovative learning techniques we arrange Industrial Visits for our students to make them feel the pulse of the industrial environment. Besides, we also expose our B.Com (PA) students to have a wide range of practice in Auditing, during their vacation. It gives them a unique opportunity to have knowledge in Auditing practices.

In this regard Ms. SOBITHA S (15UCPA048) prefers to take up her practice in your esteemed organization. I personally request you to provide her an opportunity to take up the Auditing practice in your organization.

The duration of the practice is about 21 days during the vacation in April to June 2017 and the students shall maintain a record of their daily activities duly endorsed by you. We hope that the permission to our students will be granted at the earliest. The help you render will make our students to go long way in knowing the intricacies of Auditing.

Dear Sir ,

Warm Greetings!

Kongu Arts and Science College (KASC) was established in the year 1994, under the banner of Kvit Trust. The Institution is doing Yeoman Service in the field of education offering a number of UG, PG courses and M.Phil. / Ph.D. Research Programmes in different disciplines.

In addition to class room teaching and innovative learning techniques we arrange Industrial Visits for our students to make them feel the pulse of the industrial environment. Besides, we also expose our B.Com (PA) students to have a wide range of practice in Auditing, during their vacation. It gives them a unique opportunity to have knowledge in Auditing practices.

In this regard Mr. PIRUTHIVIRAJ S (15UCPA031) prefers to take up his practice in your esteemed organization. I personally request you to provide him an opportunity to take up the Auditing practice in your organization.

The duration of the practice is about 21 days during the vacation in April to June 2017 and the students shall maintain a record of their daily activities duly endorsed by you. We hope that the permission to our students will be granted at the earliest. The help you render will make our students to go long way in knowing the intricacies of Auditing.
