Dear Sir,

Sub: Permission requested for Institutional training to our student - reg.

Kongu Arts and Science College (KASC) was established in the year 1994, under the banner of KVIT Trust. The institution is doing yeoman service in the field of education offering a number of UG, PG courses and M.Phil/ Ph.D. Research programmes in different disciplines.

In addition to class room teaching and innovative learning techniques, we arrange institutional training to our students to get practical exposure regarding industrial environment. As per the requirement of B.B.A Degree program, the second year Students is required to undergo training in an industry. It will give an insight of a corporate company. Also supplement the various theories acquired in the classroom for simultaneous understanding and its application.

In this regard ADHIBAN T prefers to take up his practice in your esteemed organization. I personally request you to provide him opportunity to undergo training in your organization.

The duration of the training is for 21 days during the vacation in April / May 2019 and the student shall maintain a record of their daily activities duly endorsed by you. We hope that the permission to our student will be granted at the earliest. The help you render will make our student to go a long way in knowing the practical aspects of industrial sector.

Thank you.

Dear Sir,

Sub: Permission requested for Institutional training to our student - reg.

Kongu Arts and Science College (KASC) was established in the year 1994, under the banner of KVIT Trust. The institution is doing yeoman service in the field of education offering a number of UG, PG courses and M.Phil/ Ph.D. Research programmes in different disciplines.

In addition to class room teaching and innovative learning techniques, we arrange institutional training to our students to get practical exposure regarding industrial environment. As per the requirement of B.B.A Degree program, the second year Students is required to undergo training in an industry. It will give an insight of a corporate company. Also supplement the various theories acquired in the classroom for simultaneous understanding and its application.

In this regard BHAVADHARNI P prefers to take up his practice in your esteemed organization. I personally request you to provide him opportunity to undergo training in your organization.

The duration of the training is for 21 days during the vacation in April / May 2019 and the student shall maintain a record of their daily activities duly endorsed by you. We hope that the permission to our student will be granted at the earliest. The help you render will make our student to go a long way in knowing the practical aspects of industrial sector.

Thank you.

Dear Sir,

Sub: Permission requested for Institutional training to our student - reg.

Kongu Arts and Science College (KASC) was established in the year 1994, under the banner of KVIT Trust. The institution is doing yeoman service in the field of education offering a number of UG, PG courses and M.Phil/ Ph.D. Research programmes in different disciplines.

In addition to class room teaching and innovative learning techniques, we arrange institutional training to our students to get practical exposure regarding industrial environment. As per the requirement of B.B.A Degree program, the second year Students is required to undergo training in an industry. It will give an insight of a corporate company. Also supplement the various theories acquired in the classroom for simultaneous understanding and its application.

In this regard HARIHARAN MALLESH S prefers to take up his practice in your esteemed organization. I personally request you to provide him opportunity to undergo training in your organization.

The duration of the training is for 21 days during the vacation in April / May 2019 and the student shall maintain a record of their daily activities duly endorsed by you. We hope that the permission to our student will be granted at the earliest. The help you render will make our student to go a long way in knowing the practical aspects of industrial sector.

Thank you,

With Regards,

Dear Sir,

Sub: Permission requested for Institutional training to our student - reg.

Kongu Arts and Science College (KASC) was established in the year 1994, under the banner of KVIT Trust. The institution is doing yeoman service in the field of education offering a number of UG, PG courses and M.Phil/ Ph.D. Research programmes in different disciplines.

In addition to class room teaching and innovative learning techniques, we arrange institutional training to our students to get practical exposure regarding industrial environment. As per the requirement of B.B.A Degree program, the second year Students is required to undergo training in an industry. It will give an insight of a corporate company. Also supplement the various theories acquired in the classroom for simultaneous understanding and its application.

In this regard KRISHNA KARTHICK P prefers to take up his practice in your esteemed organization. I personally request you to provide him opportunity to undergo training in your organization.

The duration of the training is for 21 days during the vacation in April / May 2019 and the student shall maintain a record of their daily activities duly endorsed by you. We hope that the permission to our student will be granted at the earliest. The help you render will make our student to go a long way in knowing the practical aspects of industrial sector.

Dear Sir,

Sub: Permission requested for Institutional training to our student - reg.

Kongu Arts and Science College (KASC) was established in the year 1994, under the banner of KVIT Trust. The institution is doing yeoman service in the field of education offering a number of UG, PG courses and M.Phil/ Ph.D. Research programmes in different disciplines.

In addition to class room teaching and innovative learning techniques, we arrange institutional training to our students to get practical exposure regarding industrial environment. As per the requirement of B.B.A Degree program, the second year Students is required to undergo training in an industry. It will give an insight of a corporate company. Also supplement the various theories acquired in the classroom for simultaneous understanding and its application.

In this regard NIVASH S prefers to take up his practice in your esteemed organization. I personally request you to provide him opportunity to undergo training in your organization.

The duration of the training is for 21 days during the vacation in April / May 2019 and the student shall maintain a record of their daily activities duly endorsed by you. We hope that the permission to our student will be granted at the earliest. The help you render will make our student to go a long way in knowing the practical aspects of industrial sector.

Thank you,

Dear Sir,

Sub: Permission requested for Institutional training to our student - reg.

Kongu Arts and Science College (KASC) was established in the year 1994, under the banner of Kvit Trust. The institution is doing yeoman service in the field of education offering a number of UG, PG courses and M.Phil/ Ph.D. Research programmes in different disciplines.

In addition to class room teaching and innovative learning techniques, we arrange institutional training to our students to get practical exposure regarding industrial environment. As per the requirement of B.B.A Degree program, the second year Students is required to undergo training in an industry. It will give an insight of a corporate company. Also supplement the various theories acquired in the classroom for simultaneous understanding and its application.

In this regard VISHNU S prefers to take up his practice in your esteemed organization. I personally request you to provide him opportunity to undergo training in your organization.

The duration of the training is for 21 days during the vacation in April / May 2019 and the student shall maintain a record of their daily activities duly endorsed by you. We hope that the permission to our student will be granted at the earliest. The help you render will make our student to go a long way in knowing the practical aspects of industrial sector.

Thank you,

With Regards,
