Dear Sir / Mam ,

Warm Greetings!

Kongu Arts and Science College (KASC) was established in the year 1994, under the banner of KVVIT Trust. The Institution is doing Yeoman Service in the field of education offering a number of UG, PG courses and M.Phil. / Ph.D. Research Programmes in different disciplines.

In addition to class room teaching and innovative learning techniques we arrange Industrial Visits for our students to make them feel the pulse of the industrial environment. Besides, we also expose our BA English Literature students to have a wide range of practice in teaching, during their vacation. It gives them a unique opportunity to have knowledge in Teaching practices.

In this regard Ms. ABIRAMI P (18PENG001) prefers to take up her practice in your esteemed organization. I personally request you to provide her an opportunity to take up the teaching practice in your organization.

The duration of the practice is about her 15 days during the vacation from April to June 2018 and the students shall maintain a record of their daily activities duly endorsed by you. We hope that the permission to our student will be granted at the earliest. The help you render will make our student to go long way in knowing the intricacies of Teaching.

Thank you

Warm Greetings!

Kongu Arts and Science College (KASC) was established in the year 1994, under the banner of KVIT Trust. The Institution is doing Yeoman Service in the field of education offering a number of UG, PG courses and M.Phil. / Ph.D. Research Programmes in different disciplines.

In addition to class room teaching and innovative learning techniques we arrange Industrial Visits for our students to make them feel the pulse of the industrial environment. Besides, we also expose our BA English Literature students to have a wide range of practice in teaching, during their vacation. It gives them a unique opportunity to have knowledge in Teaching practices.

In this regard Ms. DIVYA MOILESWARI S (18PENG009) prefers to take up her practice in your esteemed organization. I personally request you to provide her an opportunity to take up the teaching practice in your organization.

Dear Sir / Mam ,

Warm Greetings!

Kongu Arts and Science College (KASC) was established in the year 1994, under the banner of KVIT Trust. The Institution is doing Yeoman Service in the field of education offering a number of UG, PG courses and M.Phil. / Ph.D. Research Programmes in different disciplines.

In addition to class room teaching and innovative learning techniques we arrange Industrial Visits for our students to make them feel the pulse of the industrial environment. Besides, we also expose our BA English Literature students to have a wide range of practice in teaching, during their vacation. It gives them a unique opportunity to have knowledge in Teaching practices.

In this regard Ms. JANANI P P (18PENG015) prefers to take up her practice in your esteemed organization. I personally request you to provide her an opportunity to take up the teaching practice in your organization.

The duration of the practice is about her 15 days during the vacation from April to June 2018 and the students shall maintain a record of their daily activities duly endorsed by you. We hope that the permission to our student will be granted at the earliest. The help you render will make our student to go long way in knowing the intricacies of Teaching.

Thank you

Yours faithfully

Warm Greetings!

Kongu Arts and Science College (KASC) was established in the year 1994, under the banner of KVIT Trust. The Institution is doing Yeoman Service in the field of education offering a number of UG, PG courses and M.Phil. / Ph.D. Research Programmes in different disciplines.

In addition to class room teaching and innovative learning techniques we arrange Industrial Visits for our students to make them feel the pulse of the industrial environment. Besides, we also expose our BA English Literature students to have a wide range of practice in teaching, during their vacation. It gives them a unique opportunity to have knowledge in Teaching practices.

In this regard Ms. PUNITHAVALLI K (18PENG029) prefers to take up her practice in your esteemed organization. I personally request you to provide her an opportunity to take up the teaching practice in your organization.

The duration of the practice is about her 15 days during the vacation from April to June 2018 and the students shall maintain a record of their daily activities duly endorsed by you. We hope that the permission to our student will be granted at the earliest. The help you render will make our student to go long way in knowing the intricacies of Teaching.

Thank you

Dear Sir / Mam ,

Warm Greetings!

Kongu Arts and Science College (KASC) was established in the year 1994, under the banner of KVIT Trust. The Institution is doing Yeoman Service in the field of education offering a number of UG, PG courses and M.Phil. / Ph.D. Research Programmes in different disciplines.

In addition to class room teaching and innovative learning techniques we arrange Industrial Visits for our students to make them feel the pulse of the industrial environment. Besides, we also expose our BA English Literature students to have a wide range of practice in teaching, during their vacation. It gives them a unique opportunity to have knowledge in Teaching practices.

In this regard Mr. UTHAYA KUMAR M (18PENG036) prefers to take up his practice in your esteemed organization. I personally request you to provide his an opportunity to take up the teaching practice in your organization.

The duration of the practice is about her 15 days during the vacation from April to June 2018 and the students shall maintain a record of their daily activities duly endorsed by you. We hope that the permission to our student will be granted at the earliest. The help you render will make our student to go long way in knowing the intricacies of Teaching.

Thank you

Yours faithfully
