Dear Sir,

Sub: Permission requested for Institutional training to our student - reg.

Kongu Arts and Science College (KASC) was established in the year 1994, under the banner of Kvit Trust. The institution is doing yeoman service in the field of education offering a number of UG, PG courses and M.Phil/ Ph.D. Research programmes in different disciplines.

In addition to class room teaching and innovative learning techniques, we arrange institutional training to our students to get practical exposure regarding teaching environment. As per the requirement of B.Sc Degree program, the second year Students is required to undergo training in a school. It gives them a unique opportunity to exhibit and develop their teaching methodology.

In this regard AGALYA DEVI B prefers to take up his practice in your esteemed organization. I personally request you to provide him / her an opportunity to take up the teaching learning practice in your organization.

The duration of the training is for 15 days during the vacation in April to May 2019 and the student shall maintain a record of their daily activities duly endorsed by you. We hope that the permission to our student will be granted at the earliest. The help you render will make our student to go a long way in the noble profession.

Thank you,

With Regards,

Dear Sir,

Sub: Permission requested for Institutional training to our student - reg.

Kongu Arts and Science College (KASC) was established in the year 1994, under the banner of KVIT Trust. The institution is doing yeoman service in the field of education offering a number of UG, PG courses and M.Phil/ Ph.D. Research programmes in different disciplines.

In addition to class room teaching and innovative learning techniques, we arrange institutional training to our students to get practical exposure regarding teaching environment. As per the requirement of B.Sc Degree program, the second year Students is required to undergo training in a school. It gives them a unique opportunity to exhibit and develop their teaching methodology.

In this regard DHIVYA C prefers to take up his practice in your esteemed organization. I personally request you to provide him / her an opportunity to take up the teaching learning practice in your organization.

The duration of the training is for 15 days during the vacation in April to May 2019 and the student shall maintain a record of their daily activities duly endorsed by you. We hope that the permission to our student will be granted at the earliest. The help you render will make our student to go a long way in the noble profession.

Thank you,

Dear Sir,

Sub: Permission requested for Institutional training to our student - reg.

Kongu Arts and Science College (KASC) was established in the year 1994, under the banner of KVIT Trust. The institution is doing yeoman service in the field of education offering a number of UG, PG courses and M.Phil/ Ph.D. Research programmes in different disciplines.

In addition to class room teaching and innovative learning techniques, we arrange institutional training to our students to get practical exposure regarding teaching environment. As per the requirement of B.Sc Degree program, the second year Students is required to undergo training in a school. It gives them a unique opportunity to exhibit and develop their teaching methodology.

In this regard KIRUTHIKA K prefers to take up his practice in your esteemed organization. I personally request you to provide him / her an opportunity to take up the teaching learning practice in your organization.

The duration of the training is for 15 days during the vacation in April to May 2019 and the student shall maintain a record of their daily activities duly endorsed by you. We hope that the permission to our student will be granted at the earliest. The help you render will make our student to go a long way in the noble profession.

Thank you,

Kongu Arts and Science College (KASC) was established in the year 1994, under the banner of KVIT Trust. The institution is doing yeoman service in the field of education offering a number of UG, PG courses and M.Phil/ Ph.D. Research programmes in different disciplines.

In addition to class room teaching and innovative learning techniques, we arrange institutional training to our students to get practical exposure regarding teaching environment. As per the requirement of B.Sc Degree program, the second year Students is required to undergo training in a school. It gives them a unique opportunity to exhibit and develop their teaching methodology.

In this regard PREETHI R prefers to take up his practice in your esteemed organization, I personally request you to provide him / her an opportunity to take up the teaching learning practice in your organization.

The duration of the training is for 15 days during the vacation in April to May 2019 and the student shall maintain a record of their daily activities duly endorsed by you. We hope that the permission to our student will be granted at the earliest. The help you render will make our student to go a long way in the noble profession.

Dear Sir,

Sub: Permission requested for Institutional training to our student - reg.

Kongu Arts and Science College (KASC) was established in the year 1994, under the banner of Kvit Trust. The institution is doing yeoman service in the field of education offering a number of UG, PG courses and M.Phil/ Ph.D. Research programmes in different disciplines.

In addition to class room teaching and innovative learning techniques, we arrange institutional training to our students to get practical exposure regarding teaching environment. As per the requirement of B.Sc Degree program, the second year Students is required to undergo training in a school. It gives them a unique opportunity to exhibit and develop their teaching methodology.

In this regard SARMI M V prefers to take up his practice in your esteemed organization. I personally request you to provide him / her an opportunity to take up the teaching learning practice in your organization.

The duration of the training is for 15 days during the vacation in April to May 2019 and the student shall maintain a record of their daily activities duly endorsed by you. We hope that the permission to our student will be granted at the earliest. The help you render will make our student to go a long way in the noble profession.

Thank you,

In addition to class room teaching and innovative learning techniques, we arrange institutional training to our students to get practical exposure regarding teaching environment. As per the requirement of B.Sc Degree program, the second year Students is required to undergo training in a school. It gives them a unique opportunity to exhibit and develop their teaching methodology.

In this regard SOWNDHARYADEVI R prefers to take up his practice in your esteemed organization. I personally request you to provide him / her an opportunity to take up the teaching learning practice in your organization.

The duration of the training is for 15 days during the vacation in April to May 2019 and the student shall maintain a record of their daily activities duly endorsed by you. We hope that the permission to our student will be granted at the earliest. The help you render will make our student to go a long way in the noble profession.
