Sub: Supply and Installation of Library Automation System Software Package.

Please accept my heartfelt thanks and gratitude for the hospitality extended to me during my recent visit to your office.

Based on discussions with you and the Principal, we forward our proposal for the supply and installation of Library Automation System Software package for your esteemed Arts and Science college. In this connection, we have also loaded our software in your college computer system and demonstrated the different facilities to the Principal and the computer centre staff.

The Library Automation System Software is developed using Visual Basic 4.0 as front end and MS Access 7.0 as database. Applications developed using Visual Basic 4.0 is a very good user interface apart from being user friendly. Ms Access is a reliable RDBMS. This on-line software is a 32 bit system and runs on Windows 95 platform. It is designed based on specifications and requirements in a Modern Library dealing with several thousands of books and magazines. It includes masters, transactions, queries and different types of reports. It has security features and backup/restore facilities.

Duration:

The time required for the supply of software package is ten days from the date of approval and another five days for installation, on-site testing and training of your executives.

Software Training:

All the Library staff in your esteemed college will be trained in using our modern user friendly software package.

Hardware Requirements:

Pentium Machine with 32MB RAM, 8X CD ROM Drive and 1.2 GB Hard Disc

Software Requirements: Windows 95.

Price:

We quote rates for our software package with different modules as indicated below:

Single User: Rs.30,000/- (Rs. Thirty thousand only)

Please give us chance to serve you.

With warm regards,

Yours sincerely,

Dr. N. Arumugam
