PROFILE

Mr.P. Senthil is the Managing Director of PP Soft in Gobichettipalayam. PP Soft Innovations Private Limited is a young, dynamic, and passionate organization being filled with cognitive and inspired minds were established in the year 2004 by its talented and dedicated founders, Mr.Karthikeyen and Mr.Rajasekeran with excellent knowledge in the development of textile software. As the days moved, their textile-based knowledge has spotted them with an idea of developing special software that fulfills the vital requirements of weavers and the textile industry thereby lifting the current scenario. Later on, they have developed an ERP software upon collecting the facts based on textile industry needs, and thus, they have been identified as a well-known ERP service provider in Tamilnadu with an aim to lift the firm towards a multi-national ERP solution provider and innovator.

Since its inception, the founders have ensured that they are not only providing state-of-the-art ERP software but also a feature-rich ERP software built through extensive research. Our service portfolio will range from the traditional to the transformational services across the Textile industry and the Dairy industry that includes Spinning, Weaving, Wet processing, Fabrics, and Garment sectors.
