Profile

Mr.G.Manivannan
Branch Manager

E-mail : manivannan.g@ibsindia.org

As a Branch Manager, I would be responsible for overseeing the day-to-day operations of the IBS Business School branch that he manages.

This would involve managing staff, developing and implementing operational policies and procedures, and ensuring that the branch meets its financial and performance targets.

Other responsibilities of a Branch Manager at IBS Business School might include developing and implementing marketing and outreach strategies to attract new students, working with faculty to ensure that the curriculum is up-to-date and meeting the needs of students, and liaising with other branches and departments within the school to ensure smooth and effective operations.

To be successful as a Branch Manager at IBS Business School, I would need to have strong leadership and management skills, as well as excellent communication and interpersonal skills. I would also need to have a deep understanding of the needs of students and the education industry more broadly, and be able to work collaboratively with colleagues across the school to achieve shared goals.
