DEPARTMENT OF PHYSICS

VIBRANT 2018-2019

SALIENT FEATURES

The main objective of the Physics VIBRANT Student Association is to provide platform to students to explore their skills and knowledge through curricular and extra-curricular activities in the field of science. Vibrant Association is committed to the overall development of department students by organizing various events such as “Accelerate” an intradepartmental level event in which various technical and non-technical activities are conducted. In addition, through Vibrant Association instill social responsibility through Extension activities by Awareness on electricity usages and conservation methods.

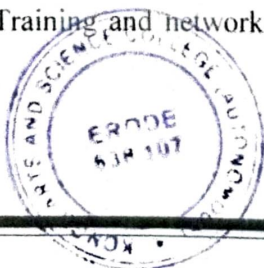

MOTTO

VIBRANT Association aims for fulfilling quality enhancement initiatives by adopting the following objectives:

- To organize the Department is to help the students understand the role of Physics in Science and training programs/ seminars/ workshops on latest technology to enhance the technical skill-set of students and faculties.
- To provide Quality Education in Science for the fulfillment of individual and social needs and to take up responsibilities especially to uplift the weaker sections of the society.
- To organize the Technical, Non-Technical events to improve the leadership quality among the students.
- To inculcate social values and responsibility among the students by involving them in extension activities such as Awareness on electricity usages and conservation methods.

OPPORTUNITY

Physics Vibrant Student Association strive to create an environment for Under graduate students have a base of support within the department by enhancing the academic experience with opportunities for exchanging scientific thought in a supportive environment, participating in Hands on Training and networking through seminar presentations and group interactions with

invited guests. Overall, the VIBRANT Student Association seeks to expand the holistic development of students and even the faculty by promoting a conducive collaborative environment in the department.

Student Office Bearers

Membership in the Association automatically includes all students who join the physics graduate program. Office Bearers of the VIBRANT Student Association serve as a liaison between the students and faculty for effective administration for the duration of one academic year. To facilitate mission of the Department, the Student Association operates with the following Positions:

FACULTY INCHARGES:

Ms. S. PRIYA, Associate Professor

PRESIDENT	: Ms. R. S. SASIDHARAN
VICE PRESIDENT	: Mr. S. JANNET KAVIYA
SECRETARY	: Mr. V. KA. KAMALESH
JOINT SECRETARY	: Ms. H. SOWMIYA
TEASER	: Ms. S. PRAVEEN KUMAR

Activities carried out through Association

1. Orientation
2. Hands on Workshop
3. Guest Lecture
4. Extension Activities
5. National level conference/seminars

Any other information

Nil
