ECO CLUB**

**Awareness on World Environment Day
(05.06.2019)**

The World Environment Day is observed every year on 5th June. World Environment Day is celebrated across the world to raise awareness and describe the importance of Mother Nature. World Environment Day was established in 1972 by UN general assembly at the time of stockholm conference.

In this regard, our ECO CLUB of KASC regularly gave awareness to the college and school students and public peoples. On 05.06.2019, Pamphlets on **“Water Conservation”** were distributed to the Public peoples at Nanjanapuram Village by our ECO CLUB Students volunteers. The need to conserve water was emphasized to the people at Nanjanapuram village. The practice of using water efficiently to reduce unnecessary water usage was explained.

**Campus Cleaning Activities
(Every Thursday)**

On every Thursday, the Eco Club volunteers are involved in Campus Cleaning Activity to promote Swachh Bharath Mission. The Swachh Bharath Abhiyan is one of the most significant cleanliness campaigns by the Government of India. To inculcate the importance of this mission, our volunteers go in batch wise around the college campus (Open Auditorium, Outside of KASC Canteen and Amenity centre, All Road areas, Temple areas, etc) to make their environment clean and neat.

**Orientation Programme cum Guest Lecture
(26.08.2019)**

An Orientation Programme and Guest Lecture on “**Water and its importance**” was conducted to the ECO CLUB Volunteers on 26.08.2019 at PG Seminar Hall and Mr. Shivakumar, Rain Water literacy foundation, Erode served as a resource person. As every individual depends on water for livelihood, we must learn how to keep our limited supply of water pure and away from pollution and this was instructed to the 80 volunteers. In his lecture, he elaborated the essentials of Water for our life, and insisted to the students as there is no life without water on earth and also emphasized the importance of rain water harvesting.

**Field Visit to Rain Water Literacy Foundation
(21.09.2019)**

An eco friendly house is an environmentally low impact home designed and built using materials and technology that reduces its carbon foot print and lowers energy needs. A Field visit was arranged for ECO CLUB volunteers to Rain Water literacy foundation, Kanthampalayam, Nasiyanur, Erode on 21.09.2019. Around 50 students visited and gained an idea about Eco friendly house construction and rain water harvesting and its present need. He explained the importance of rainwater harvesting is an effective and eco friendly method of reducing water usage at home, which will lead to reduced water wastage.

**Numbering of Coconut Trees
(09.12.2019)**

As per the instruction from our management, the ECO CLUB of KASC numbered the Coconut trees found inside our college campus on 09.12.2019. This numbering work was done by our club senior volunteers. There are totally 116 coconut trees inside the college campus. Through this activity, easy assessment of coconut tree count was established.

**Field Visit to Bee Farming Unit, Sivagiri
(09.12.2019)**

As pollinators, bees play a major role in supporting the growth of trees, flowers and other plants which serve as food and interconnect the ecosystems that allow a diverse number of different species to coexist.

The ECO CLUB of KASC in association with Department of Biochemistry, arranged a Field visit to BEE FARMING UNIT, ADP APIARY, Sivagiri on 13.12.2019 under the guidance of Mrs.T.Radha and Mr.G.Karthikeyan, (Eco club coordinators) Assistant Professors, Department of Biochemistry, KASC. Around 50 Students and 2 Faculty members of the Biochemistry Department benefited.

Students got an insight into the potential of Apiculture as an alternative source of income generation. Students learnt the production cost, major constraints and opportunities in honey production. The importance of bees was described to the students and also to inculcate the entrepreneur skills on Bee farming.

**Field Visit to Sri Raam Dyeing Unit, Bhavani
(20.12.2019)**

The goal of waste water treatment is to clean and protect water from the harmful and toxic elements found in water. The ECO CLUB of KASC arranged a field visit to Sri Raam Dyeing Unit, Kadayampatti, Bhavani on 20.12.2019 for ECO CLUB volunteers. Around 52 volunteers visited the unit. Students were able to know the techniques of Chemical Dyeing and they were able to understand the methods of Wastewater treatment and the importance of water recycling by the field visit.

ONE PAGE REPORT (2019-2020)

**Hands-on Training on Seed Ball Preparation
(01.02.2020)**

KONGU ARTS AND SCIENCE COLLEGE
(AUTONOMOUS)
ERODE - 638 107

The Management, Principal, Staff and Students
Cordially invite you to the

**HANDS-ON TRAINING IN
SEED BALL PREPARATION**

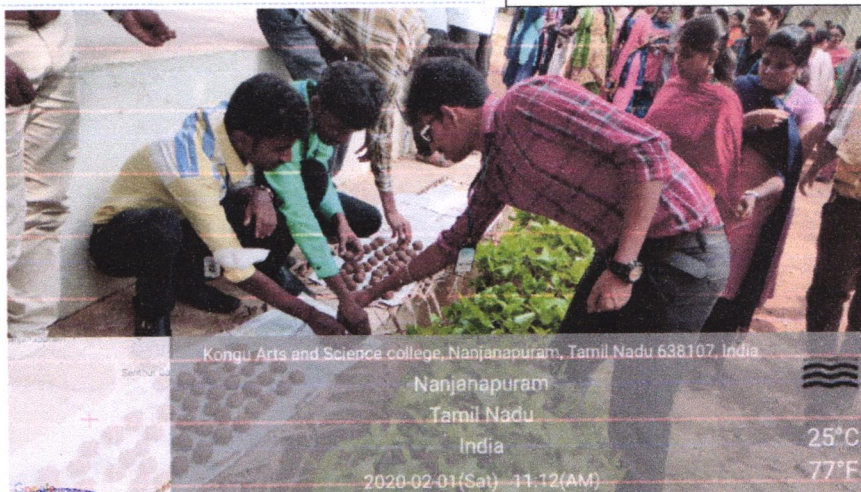

Organized by
ECO CLUB, KASC

Chief Guest and Trainer
Mr. P.DHEEBAN SHANKAR
Assistant Professor,
Department of Biotechnology
Nandha Arts and Science College, Erode

Date : 01.02.2020 Time : 10.00 A.M

Venue : Medicinal Garden

Seed balls are the best and most convenient way of dispersing seeds. With seed balls we can easily propagate plants and trees. With reference to this a Hands-on Training on “Seed Ball Preparation” was arranged to the Eco Club volunteers on 01.02.2020. **Mr.P.Dheeban Shankar**, Assistant Professor, Department of Biotechnology, Nandha Arts and Science College, Erode serves as the trainer.62 students learned the techniques of seed ball preparation.

ONE PAGE REPORT (2019-2020)**

**Plastic Awareness Program
(06.02.2020)**

ECO CLUB of KASC in association with NSS of KASC and Pollution Control Board, Erode, Distributed the Pamphlets on **Plastic Awareness** on 06.02.2020 to Public people. By this programme, an awareness was created among the public people to understand the effects of using and throwing away once used plastics and its detrimental impacts on the environment and health. The students and Public can join together to ban plastic bags.
