Awareness on International Day for Disaster Risk Reduction

Youth Red Cross organized an Awareness programme on International Day for Disaster Risk Reduction on 21 October 2021. The Disaster Risk Reduction Management team from Fire Service Station, Erode served as trainers to create awareness.

The objective of this Awareness Program is to impart knowledge on Disaster Risk Reduction, and to instill clarity about risk assessment strategies. The trainers demonstrated various techniques and methods on rescue and prevention process during natural disasters and fire accidents. The queries of the participants were clarified at the end of the programme. Undergraduate students of Arts and Science Departments (55) benefitted and gained awareness.
