## TO WHOMSOEVER IT MAY CONCERN

**7.1.5 This is to certify that the institutional initiatives done inside the Kongu Art Science College for greening the campus are given below :**

- ✓. Restricted entry of automobiles
- ✓. Use of Bicycles/ Battery powered vehicles
- ✓. Pedestrian Friendly pathways
- ✓. Ban on use of Plastic
- ✓. landscaping with trees and plants

### Options:

- A. Any 4 or All of the above
- B. Any 3 of the above
- C. Any 2 of the above
- D. Any 1 of the above
- E. None of the above

### Response:

- A. All of the above

## 7.1.5. GREEN CAMPUS INITIATIVES

The following details and the geotagged photographs are the Green initiatives taken by our Institution.

S.No	Items	Geotagged Photos
1	Restricted Entry of Automobiles	Restricted Entry
2	Battery Operated Vehicle	Battery Operated Vehicle for communication
3	Pedestrian friendly Pathways	Amenities available on pedestrian friendly campus
4	Ban of use of Plastic	Initiatives taken
5	Landscape with Trees & Plants	Greenery within the Campus

### 1. Restricted Entry of Automobiles

The entry point of the campus is strictly monitored by the security staff. The entry and exit of the visitors are recorded in the entry register and kept by the security staff. In the college premises students should wear identity cards. The Security officer has the right to check the identity cards of the students and deny the entry if they failed to show.

A separate parking area is allotted for students and staff for both 2 and 4 wheeler; it should be parked in the prescribed area only. The college buses have separate designated parking area.

Separate parking area for the college staff members

## 2. Eco friendly Vehicles

Beyond the restricted area, we are using bicycles and Battery Operated Vehicles for eco-friendly transportation. Few students travel by bicycles, riding a bicycle improves the mental health and wellbeing.

## Barcoding of Trees inside the campus for its identification and uses

The barcoding of trees were made by Eco club of KASC. Barcodes encode the information into bars and alphanumeric characters, making it much faster and easier. This make the details of trees (Botanical classification, description and uses) to be easier.
