World Environment Day is celebrated annually on 5<sup>th</sup> June to create awareness on the action taken to protect the environment. On 05.06.2018 to create awareness on the hazardous effects of plastic, pamphlets were distributed to Public people at Nanjanapuram Village to reduce plastic usage by our club volunteers. Mainly the shops in the village were advised not use the plastic bags because of its non biodegradable property.

Plastic awareness pamphlets to reduce plastic usage was distributed to Public people at Nanjanapuram Village on "World Environment Day" on 05.06.2018
