WORKSHOP ON VERMICOMPOSTING

ECO CLUB of KASC organized One Day Workshop on Vermicomposting on 04.09.2018. Nearly 100 students and faculty members participated in this Programme. The venue is TRM Biotech Limited, Kokarayampettai and Mr.Thirumoorthy was the trainer. The workshop was conducted in the trainer's field at Kokarayampettai. This workshop gave students practical exposure on the various stages in the production of Vermicompost and its applications. Vermicomposting restores the microbial population and provides major and minor nutrients to the plants. It also improves the soil texture and water holding capacity. The students were able to clearly understand these concepts through this workshop.
