ABOUT OUR COLLEGE

Kongu Arts and Science College was established in 1994 by the pioneers of Kvit Trust. Since inception, the College has been playing a pivotal role in the great expansion of knowledge of the rural youth coupled with the basic essence of ethics and social responsibility. Our College is Re-accredited by NAAC and has also received ISO certification.

The support of the Management serves as an enlivening source to back up the spirit of the staff and the students and make them flourish and reap the rewards. Our College proves its merit by the sustenance of its quality not only by producing numerous gold medalists and rank holders but also by giving out responsible citizens to the society.

DST INSPIRE SCIENCE CAMP

INSPIRE Science Internship Camp is an innovative programme implemented by the Department of Science and Technology (DST), Government of India.

Through this Scheme KASC Science Forum of Kongu Arts and Science College has the privilege of organizing the Inspire Science Internship Winter Camp for the third consecutive year for XI standard students from 26-30 December 2014. The previous Camps conducted by KASC Science Forum had renowned Scientists and Academicians of our country as the mentors. The Camps were highly appreciated by the respective parents, schools and the beneficiaries.

WHY THIS CAMP?

Research Talents for scientific endeavour must be nurtured at an early stage. Advancement in Science and Technology will enhance the capability of the students and procure them productive jobs. Inspire is a unique programme initiated by DST to foster the scientific temperament of the budding scientists. The camp encompasses the excitements of creative pursuit and the joy of knowledge exploration.

WHAT THE CAMP AIMS AT?

The prime objective of INSPIRE is to inculcate a keen interest of Basic Science in the inquisitive young minds. It is also entrusted to bring about an awareness on the opportunities available in the field of Science and Technology. The Camp focuses on the fundamental and emerging concepts of science and facilitates interaction with esteemed people who have crossed many miles of adventurous journey in the unlimited sea of science.

HIGHLIGHTS

The activities of the Science Camp will focus on nourishing the inquisitive minds with the fundamental and advanced concepts in Science & Technology and constitutes

- ✧ Lectures related to scientific success stories and joys of novelty in science stream
- ✧ Experimental sessions and discussions
- ✧ Stimulating and brainstorming interaction between the participating aspirants and the galaxy of scholars
- ✧ Science Quiz
- ✧ Creative Poster Competitions
- ✧ Screening Scientific Films
- ✧ Lab and Field visits

RESOURCE PERSONS

The 5- Day Science Internship Camp is a fully sponsored Camp. It will provide a nourishing experience to the students and will assist them to adopt the indomitable spirit and enthusiasm of the **Academic Fellows, Bhatnagar Awardees and renowned Scientists of National and International repute.**

SUPPORT

- ✧ The entire programme is offered at free of cost
- ✧ Boarding and Lodging for the entire duration of the camp and travel expenses will be borne by the DST, Govt. of India, New Delhi.
