About the Institution

Kongu Arts and Science College, Erode, stands as a beacon of academic excellence and holistic development since 1994. The autonomous institution is approved by AICTE, affiliated to Bharathiar University, accredited with A+ Grade and recognized by UGC.

About the Department

The Department of Computer Applications was established in the year 2009. The department is provided with the necessary infrastructure facilities with a state-of-art computer centre and approved by AICTE. Ranked as No.1 in erode district by INDIA TODAY MDRA ranking.

About the Program

The FDP focuses in-depth exploration of Generative AI and its critical role in shaping Industry 6.0. Through expert-led sessions and hands-on learning, participants will gain foundational to advanced knowledge in AI technologies. The programme empowers participants to apply AI-driven solutions across academic, research and industrial domains. With insights from leading MNCs and premier institutions, this program equips attendees to contribute meaningfully to the evolving landscape of technological innovation.
